

BORTHWICK  
CASTLE

*Making your wedding day unique, spectacular, romantic.*

A large, multi-story stone castle with a dark roof and several chimneys sits atop a hill. The scene is bathed in the warm, golden light of a sunset or sunrise, with long shadows and a dramatic sky. The castle is surrounded by dense trees and foliage. In the foreground, a large, leafless tree stands on the left, and a grassy field is visible at the bottom. The overall mood is serene and majestic.

## EXCLUSIVELY YOURS

600 years of history await you and your guests, providing a magical backdrop to your special occasion. Borthwick Castle will be exclusively yours from the majestic public rooms to the ten elegant bedrooms scattered throughout the castle and accessed via the fairy-tale spiralling staircases plus our delightful Crookston Cottage which accommodates an additional four guests. Each bedroom with en-suite bathroom is unique and designed to offer guests a relaxing and indulgent experience.

The surrounding grounds within the Castle walls set the ideal scene for summer drinks, barbecues and activities as well as providing stunning views and numerous photo opportunities! If you require more space we can also arrange to have a marquee installed on the lawn. The magnificent Great Hall, Garrison and State Rooms are all licensed for religious and civil ceremonies and partnerships or, if you prefer, we can assist you in booking Borthwick Church which is situated next to the Castle gates. The Castle can accommodate up to 85 guests for your event.

## YOUR WEDDING DAY

Your guests will be warmly greeted on arrival at the Castle and can enjoy the stunning surroundings with a glass of champagne before the ceremony begins. Brides will have a room where they can make final preparations before their magnificent entrance into the ceremony. Once the formalities are complete everyone can relax and enjoy the very best of Scottish hospitality; dining, dancing and creating wonderful memories. After the festivities, you, and guests who are staying the night can relax and unwind with a wee dram in front of the fire before heading off to your rooms.

The following morning you will all enjoy a delicious full Scottish Breakfast in the Great Hall and a chance to catch up and relive the highlights of your fantastic wedding day!
