Celtic Castles Limited Named Best Luxury Travel Company at 2025 UK Business Awards – Regional Awards

Celtic Castles Limited is proud to announce it has been named Best Luxury Travel Company at the 2025 UK Business Awards – Regional Awards. This prestigious accolade recognises the company's commitment to delivering unforgettable experiences through exclusive castle stays across the UK and Ireland.

With over 25 years of excellence in bespoke travel, Celtic Castles has built a reputation for blending historic charm with modern luxury. The award celebrates the company's customer-first approach, deep destination expertise, and consistent innovation in the high-end travel space.

"We are honoured to receive this recognition," said Roger Masterson, Co-director and Founder of Celtic Castles. "It reflects our team's dedication to crafting once-in-a-lifetime experiences that go far beyond the ordinary."

This win marks a milestone in Celtic Castles' continued mission to redefine luxury travel through heritage, elegance and world-class service.

The award recognises that Celtic Castles continues to thrive in a highly specialised, competitive sector. Founded in 1998 by Roger Masterson, also known as The Castle Man, the Halifax-based company has grown into a global leader in castle-based travel, offering tailored stays in over 100 exclusive castles across the UK, Ireland and France.

Far more than a booking platform, Celtic Castles blends cutting-edge technology with genuine human service - boasting 100% positive customer feedback. Its innovative CMS, in-house systems, and expanding AI integration demonstrate a commitment to agility and forward thinking.

The company's impact extends beyond tourism. Celtic Castles supports local employment, partners with regional suppliers, donates to community causes, and plays a vital role in preserving heritage properties.

With a sharp eye on the future, the business is enhancing content strategies, developing video storytelling, and improving international reach; all while maintaining a sustainable ethos and a deep passion for historic hospitality.
