### **Celtic Castles Limited Wins Eaton Smith's Business of the Month Award for July 2025**

Eaton Smith LLP is delighted to announce that Celtic Castles Limited has been named our Business of the Month winner for July 2025.

Based in Halifax, Celtic Castles is a unique travel company specialising in luxury castle rentals across the UK and Ireland. Established over 20 years ago, the company has become the go-to specialist for customers seeking an unforgettable stay in some of the world's most historic and beautiful castles, ranging from exclusive-use wedding venues to boutique hotel experiences.

Celtic Castles offers a fully tailored booking service, working closely with clients to match them with properties that suit their occasion, group size, and budget. Their portfolio spans everything from medieval fortresses and romantic châteaux to grand baronial estates, each offering a distinctive blend of history, architecture, and luxury accommodation.

Roger Masterson, Director and Owner of Celtic Castles, commented on the award: ""We are deeply honored to be recognised by an awarding body in the local region. This award reflects the passion and dedication of our team. "

The judges were particularly impressed by Celtic Castles' niche market expertise, outstanding customer service, and ability to continually innovate in the luxury travel sector. Ben Jackson, Partner and Chair of the judging panel said:

"Celtic Castles has carved out an exceptional reputation in a highly specialised market. Their commitment to delivering memorable, personalised experiences is matched by their deep knowledge of the properties they represent. This combination of passion, expertise, and high-quality service makes them a deserving winner of our Business of the Month award."

As the latest recipient of the Business of the Month Award, Celtic Castles Limited will now be considered for Eaton Smith's prestigious Business of the Year Award, which will be announced in June 2026.

Ben Jackson (Eaton Smith Solicitors) was joined on the judging panel by Gill Carmen (PIB Insurance), Martin Hathaway (Mid Yorkshire Chamber of Commerce) and Annie Bradley (Department for Business and Trade).
